

In November 2017, Carer Support Service, Sutherland received a NSW Carer Award from State Minister for Disability Services the Hon. Ray Williams, in recognition of its commitment to carers. This award was presented to us at the office of Member for Heathcote, Lee Evans MP. In spite of this award, the State government will stop funding CSS from 30 June 2018. Carer Support Service, Sutherland is now under threat.

If you are concerned about the future of Carer Support Service, Sutherland and want CSS to continue being able to support carers, you can contact the NSW Premier, Minister for Family and Community Services, Members of the State Opposition and your local State MPs, listed below.

Alternatively you can complete the slip below, tear it off and return it to us in the enclosed reply paid envelope. We will pass all responses on to the Premier and all local State MPs.
